TEAM RULES
BOYS' TENNIS

1. Practice is from 3:00 p.m. to 5:30 p.m. at the tennis courts, Monday through Friday. In the event of inclement weather, practice is held inside according to the gym use schedule.

2. Uniforms will be distributed and are to be worn only for home and away matches.

3. Players are expected to offer 100% during practices as well as matches. No one loses a contest if he is beaten, only if he stops trying. The coach will do his best to prepare each athlete for match play, but the ultimate decision on how well he does lies within himself. Best effort affords best results

4. Each individual player is a part of a team. Every athlete is treated with the same respect and discipline by the coach. Team and school rules apply to all.

5. Tennis is a gentleman's sport, and we need to exemplify that both on and off the court. Sportsmanship is of utmost priority.

6. Each student receives the Code of Conduct. Please be familiar with and understand the code.

7. Playing tennis is fun. Never lose sight of why we play.
